Fit for Travel and other circumstances

At the time this insurance cover becomes effective **you** must be fit to travel and not be reasonably aware of any circumstance which could lead to cancellation or disruption of the

journey. If **you** are not fit to travel or **you** travel in such circumstances, any subsequent claim arising from same will not be met.

New Zealand Ministry of Foreign Affairs and Trade

You are not covered for travel into and within a location that is listed as a “Do not travel” location on the Ministry of Foreign Affairs and Trade website (safetravel.govt.nz).

If the location(s) in **your** planned itinerary are added or upgraded to “Do not travel” when **you** are in such location(s), the full policy cover applies, always provided that **you** try to leave that location as soon as possible after **you** become aware of the addition or upgrade. Other insurance

There is no cover provided under this **Mastercard Travel Insurance** for any loss or event or liability which is covered under any other insurance, any health or medical scheme, or Act of Parliament or is legally payable from any other source. Where permissible at law, **we** will however pay the difference between what is payable under the health or medical scheme, or Act of Parliament, or such other source and what **you** would otherwise be entitled to recover under this **Mastercard Travel Insurance** cover.

Subrogation

If **you** are able to claim for **your** loss from some other person and **we** have also paid **you**, for such loss then **you** must refund **us** the amount **you** may have received from such other person.

You must assist **us** even after **we** have paid **your** claim if **we** want to recover the amount of any payment from anyone who caused **you** to suffer loss or damage or to defend **you** against an allegation. This could include attending court to give evidence.

You must not start any legal action for recovery of amounts which are the subject of a claim without first telling **us**.
